There is more Catarrh in this section of
the country than all other diseases put to-
gether, and for years it was supposed to be
incurable. Doctors prescribed local
remedies, and by constantly failing to cure
with local treatment, pronounced it incur-
able. Catarrh is a local disease, greatly
influenced by constitutional conditions,
and therefore requires constitutional
treatment. Hall's Catarrh Medicine, man-
ufactured by F. J. Cheney & Co., Toledo,
Ohio, is a constitutional remedy, is taken
internally and acts thru the Blood on the
Mucous Surfaces of the System. One
Hundred Dollars reward is offered for
any case that Hall's Catarrh Medicine
fails to cure. Send for circulars and
testimonials.

said to be Southwest Missouri's
most modern equipped establi-

WORDS FROM HOME.

Statements That May be Investi-
gated. Testimony of Mansfield
Citizens

When a Mansfield citizen comes to
the front, telling his friends and
neighbors of his experience, you can
rely on his sincerity. The state-
ments of people residing in far away
places do not command your confi-
dence. Home endorsement is the
kind that backs Doan's Kidney pills.
Such testimony is convincing. In-
vestigation proves it true. Below is
a statement of a Mansfield resident.
No stronger proof of merit can be
had.

W. S. Smith, Mansfield, says: "I
had been subject to pains through-
out my kidneys off and on for several
years. Following my trade as car-
penter and having a lot of stooping
and heavy lifting to do, I blame for
bringing on kidney trouble. My feet
and hands swelled. It hurt me to
lift the lightest weight and many a
day I felt unfit for work on account
of the soreness and lameness across
my back. After using three boxes
of Doan's Kidney Pills, I got over
the trouble. I have had very little
kidney complaint since."

Price 60c at all dealers. Don't
simply ask for a kidney remedy—
get Doan's Kidney Pills—the same
that Mr. Smith had. Foster-Mil-

trustee the following described
real estate, situated in Wright
County, Missouri, to-wit:
The Northeast quarter of the

Calomel Salivates and
Loosens Teeth

The Very Next Dose of this
Treacherous Drug may
Start Trouble

You know what Calomel is. It's
mercury; quicksilver. Calomel
is dangerous. It crashes in o-
scurbile like dynamite, cramp-
ing and sickening you. Calomel
attacks the bones and should
never be put into your system.
If you feel bilious, headachy,
constipated and all knocked out,
just go to your druggist and get
a bottle of Dodson's Liver-Tone
for a few cents which is a harm-
less vegetable substitute for
dangerous Calomel. Take a spoon-
ful and if it doesn't start your
liver and straighten you up bet-
ter and quicker than nasty Cal-
omel and without making you
sick, you just go back and get
your money.

Don't take Calomel! It makes
you sick the next day, it loses
you a day's work. Dodson's
Liver-Tone straightens you right
up and you feel great. No salts
necessary. Give it to the child-
ern because it is perfectly harm-
less and can not salivate.

Send your Kodak work to the
Leatherman Studio for best re-
sults.
